DETAILED ACTION

Allowable Subject Matter

1. Claims 22-28 and 33-39 are allowed.

The following is a statement of reason for the indication of allowance: As the applicant stated in the remarks of the amendment filed on 7/12/2007.

Applicant's independent claims 22 and 33: The present in invention is directed to a portable information device, the independent claim identifies the patentably distinct feature "configuring means for placing said device in a receive mode for receiving said digital information from the personal computer over said wireless communication path, said communication means receiving said device information from the personal computer after said device is configured by said configuring means to receive said digital information, said communication means storing received digital information into said memory". Applicant's independent claims 22 and 33 comprise a particular combination of elements, which is neither taught nor-suggested by prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submission should be clearly labeled "Comments on Statement of Reasons for Allowance."
